Top Tips

- **Keep eyelines tight:** Place the reader close to the lens.
- **Watch the monitor:** Cast what works on camera, not just in the room.
- **Roll on everything:** Slates save time later.
- **Protect your audio:** Quiet room > fancy camera.
- **Use a neutral backdrop:** Let the actor stand out.
- **Give one clear adjustment:** Tests direction, keeps flow smooth.
- **Stay consistent:** Same lighting, same framing, every actor.
