

Celtx TV Show Bible Template

CELTx

Use this template to create a clear, professional show bible that explains how your series works.

Logline

A concise, one–two sentence description of the series premise.

Series Overview

Explain what the show is, why it works as a series, and the experience it offers the audience.

World & Tone

Describe the setting, the rules of the world, and the emotional tone of the series.

Series Engine

Explain what generates story episode after episode. What keeps the show moving?

Main Characters

Break down each main character. Focus on desire, conflict, and potential for change.

Season Overview

Outline the shape of a season. Highlight escalation, turning points, and consequences.

Episode Examples

Provide 4–8 example episode ideas that demonstrate range within the premise.

Future Potential

Briefly indicate how the show could continue beyond the first season.

Notes

This page is intentionally left open for additional thoughts, comparisons, or pitching notes.
