Final Checklist

Before sharing your comic script, check:

- ☐ Every page has a clear heading.
- ☐ Every panel is numbered.
- ☐ Panel descriptions use the present tense.
- ☐ Each panel focuses on one drawable moment.
- ☐ Dialogue is concise enough to fit inside the artwork.
- ☐ Captions and sound effects are clearly labelled.
- ☐ Important reveals are placed after page turns where possible.
- ☐ Artistic directions are included only when they affect the story.
- ☐ Formatting remains consistent throughout the script.
- ☐ The script leaves room for the artist's interpretation.
